## DOCUMENTATION

### Your website Purpose & Objectives

audrey too was planned with one goal in mind: to connect people with mutual interest, that is, plants. This website will act as a platform for plant enthusiasts so that they can share milestones, inspire others, and discover new plants. With that said, audrey too would aim to achieve the following:

- Showcase monthly plant picks and chosen, highlighted setups to spark creativity in others.
- Provide a space for users to submit their own plant setups to be featured in the website.
- Help users find details and information regarding the procurement of certain plants that they may find interesting on the website.
- Link up different plant lovers so that they can connect over their appreciation for plants.

### Website Plan

Website Name & Tagline	<b>Website Name:</b> audrey too (Inspired by the popular musical flora, Audrey II, from Little Shops of Horror)  <b>Tagline:</b> Inspiring spaces, one plant at a time
Purpose of the Website	audrey too was planned with one goal in mind: to connect people with mutual interest, that is, plants. This website will act as a platform for plant enthusiasts so that they can share milestones, inspire others, and discover new plants.

## Site Map/Diagram

- **Index**
  - This will act as the landing page that sets the tone of the whole website. The upper part will show the website's tagline. It will encourage users to explore the website, and they will be invited to join the community circle to make users feel included.
- **Monthly Picks**
  - This page will highlight the curated monthly plants that were chosen to represent the whole month.
- **Green Gallery**
  - This is where users can browse their fellow plant enthusiasts' setups and collections. Each images will show the user who submitted the post and details about their setups that can help others such as the procurement process.
- **Grow With Us**
  - This page will contain the submission form that enables users to share their plant setups or collections. The form will ask for the user's email, post link, and other helpful information.
- **About Us**
  - This page will reiterate the website's purpose and objectives.

Monthly Picks Green Gallery Grow With Us Our Roots

## About Us

Welcome to audrey too, our sweet petunias! This is a community-grown space where plant appreciators share their setups and collections. Whether you're an amateur building your first green corner or seasoned collector with a forest at home, this is a root of inspiration.

We curate monthly plant picks and highlight creative setups shared by members of our circle, making it easier for others to discover new ideas.

Our goal is simple: connect people through plants
